

## **What's happening at Milpara Korumburra's Community House?**

We have a big Food Safety Training day coming up here at Milpara this November on Thursday 29. Ideal for those seeking work or working in the hospitality industry, intending to start their own restaurant/take away business, working with children/aged care works, school and sport canteens and people selling food at markets. All assessments will be completed in class on the day. This training is nationally recognised for the Hospitality/Retail, Community and Health Services and Food Processing industries. During the morning, we have Level 1 followed by Level 2 in the afternoon we have Level 2. Anyone wishing to just complete Level 2 is required to provide a copy of the valid Level 1 at enrolment.

Another great certificate to have if you are looking for work in hospitality, or to help your sport club if they have a bar is RSA - Responsible Service of Alcohol. All people serving alcohol in Victoria need this certificate, which is approved by the Director of Liquor Licensing Victoria. The course will be held on the evening of Tuesday December 4.

Reminder that our Apply First Aid & CPR is this weekend Saturday November 17 and White Card is November 20; if you have not already booked, please do so ASAP to avoid disappointment.

We are now looking at our program for Term 1 2019 and setting dates, if you are interested in running a course/workshop please contact Milpara.
